

GRAINGER

FOR THE ONES WHO GET IT DONE

Product/Service Provided

Grainger is entegra's Preferred Maintenance Repair and Operations Distributor Partner for miscellaneous maintenance, repair and operating parts. Grainger offers pricing competitive to the industry on categories such as motors; hand and power tools; primary lighting; material handling; safety and security; electrical; pumps; heating and HVAC- filters; fasteners; test and measurement equipment; and ladders.

Advantages of the Grainger Program for entegra Program Participants

Grainger offers services and solutions with daily management. They can help you increase your energy efficiency and productivity with the right type of lighting, sensors, motors and more. Grainger offers insurance and liability coverage and will conduct energy/ lighting audits and product application training, and has resources available to help you keep your workplace safe. Grainger has resources available for hand/ fall protection audits along with lock out/ tag out seminars.

How to Access the Grainger Program

Entegra Program Participants can order Grainger products by visiting the Grainger website at www.grainger.com. Be sure to mention you are an entegra Program Participant and give them your entegra Account Number.

Please note that you will need a user ID and password to access the Grainger site. To set up a new account, please contact Christina MacQuarrie at 847-559-6392 or contact your entegra Account Support Manager. Grainger's website offers entegra Program Participants the following benefits:

- Free freight on all internet orders
- Real-time Product Availability (at time of order will confirm availability)
- Complete customer Order History and the ability to check your Order Status
- Express Ordering (set up with respective facility specific defaults)
- Over 130,000 Repair Parts with exploded view diagrams
- A Robust Search Engine (MatchMakers)
- The ability to cross reference a manufacturer's model number or a competitor number to Grainger number
- Compare Items or add accessories with one-click
- Create Custom Signs or tags online
- View PDF of Grainger Redbook
- WEBEX Training for technical process and procedure training

Additional Information

For additional information on the entegra/Grainger program, please visit the Grainger Preferred Partner Page of entegraPS.com, or contact Christopher Nelson, entegra's National Account Manager for Grainger, at Christopher.Nelson@grainger.com.

Internet

4. Complete the online form.

The screenshot shows a Microsoft Internet Explorer browser window displaying the Grainger website's registration page. The browser's address bar shows the URL: <https://www.grainger.com/Grainger/www/registrationRender.shtml?regType=C>. The page features the Grainger logo and navigation links such as Home, Find A Branch, Order Form, Register, Your Account, Contact Us, and Help. A search bar is visible with the text "Keyword(s)" and a "Search" button. Below the navigation bar, there is a "LOG IN" section with fields for "User ID" and "Password", a "Go" button, and a "Remember my login" checkbox. The main content area is titled "Register" and includes a "Need Help Registering?" section with contact information for customer care. The registration form itself contains several required fields: First Name, Last Name, Job Title, Full Company Name, Parent Company Name (if applicable), Country (set to USA), Company type (with radio buttons for Sole Proprietor, Partnership, U.S. Federal Government, U.S. State or Local Government, Contractor, Corporation, Non-Profit, and Other), Company Address 1, Company Address 2, City, and State/Province (set to Select One). A note explains that the full company name should be spelled out if an acronym is used, and that providing a parent company name may be beneficial for contract users.

5. Once completed, click on “Finish”.

After you place your first order, all subsequent orders can be made by going to visiting www.grainger.com/entegra and logging in with your user name and password (you must log in to view your entegra pricing). A Grainger on-line ordering guide is enclosed to assist you in placing orders with Grainger.
