

Entegra's Equipment and Furnishings Procurement Program

Welcome to Performance Interiors.

■ Entegra offers Program Participants competitive pricing on thousands of Equipment and Furnishing products.

- As a valued entegra customer, you have exclusive access to Performance Interiors, an experienced group of procurement specialists who will work on your behalf to purchase quality equipment, furnishings, and fixtures at a significant cost savings over retail price.
- As part of our ongoing commitment to bring added value to our partnerships, our expert buyers have negotiated volume discounts with leading manufacturers and suppliers covering the gamut from furniture and fixtures to major capital equipment.
- Through industry partnerships and alliances, Performance Interiors also provide assistance in obtaining project management, facility design and installation services in select areas of the country.

■ Entegra's Performance Interiors Capital Equipment Program offers entegra Program Participants:

- Quotes on equipment and furnishings are available to entegra Program Participants Monday – Friday EST 7:00AM - 6:00PM.
- Applicable Specification Sheets will be faxed with each quote and estimates on freight will be noted.
- Assistance will be provided in locating the nearest installer if requested.
- Customer Service Representatives at entegra receive and process your order as well as provide you with an estimated delivery date.
- Invoices are generated for each facility that has made a capital equipment purchase referencing the purchase order number submitted with the order (net 30 terms).
