# entegra

PROCUREMENT SERVICES™

Entegra's mission is to design and manage customized procurement programs that make a difference in each client's ability to meet their organizational objectives and exceed their customer's expectations.

- Entegra negotiates contracts directly with food manufacturers that sell to SYSCO. This means SYSCO is able to pass through savings on certain products to its customers.
- Many of Entegra's manufacturer contracts have an incentives associated with them. After a contracted item is purchased, the manufacturer shares a portion of the cost of the product with Entegra. Thus, savings can be returned to its clients.
- Entegra brings a number of opportunities to Shared Church Services' clients – food service, capital equipment resource, coffee services, elevator service, uniforms and mat rental service, smallwares suppliers, pest control services, first aid product supplier.
- In addition to the SCS/Entegra partnership, Entegra serves major hospitals, retirement homes, hotels, and many others which provides access to pricing and manufacturer discounts not available individually or non-members.
- SYSCO is the nationally preferred Entegra distributor.
- SYSCO has been a SCS national partner for 15 plus years.
- Entegra and SCS, with SYSCO, provides each member with a tremendous opportunity for these challenging economic times; and, has documented savings for all members providing food service.
